## SPECIFICATIONS AND RECOMMENDATIONS:

For orders printing DTG (Direct to Garment) pieces must be $100 \%$ ringspun cotton.
The following brands and items are ones we recommend for this printing process :
SS450 Independent Trading Co - Midweight Hooded Pullover Sweatshirt (100\% cotton face)
Next level tees (only 100\% cotton styles)
District Thread-Very important tee
Bella/ Canvas tees 3001C
Lat6901 tees
Port \& Co. PC450 (solid colors only, not heather colors)
Alternative Apparel 1070
Only triblend proven effective is the Bella Canvas 3413 or its Companions we do not recommend or guarantee any other triblend for this printing process.

The following brands and colors are ones we don't recommend for this printing process :
Any garment in the colors charcoal, asphalt, light blue and many other pastel colors we don't recommend as these shirts get permanently stained from the pretreat.

Gildan, Hanes, FTL pieces are not recommended and we do not guarantee quality of print.

Spoilage Allowance: Be sure to price each location separately. All orders are subject to a spoilage allowance: $2 \%$ standard items, $5 \%$ non standard items, $3 \%$ specialty applications per location. If you need exact Quantities for an order, we suggest ordering extra shirts in each size and work it in your pricing. Back orders are considered a new order.

DTG is a digital process. There is no color matching or Pantone matching available. For special locations (above pockets, over seams and sleeves) call for pricing.
